

Siddhartha Paudel

Kapan, Kathmandu | 9861325050 | Paudelsiddhartha11@gmail.com

Profile

Driven and detail-oriented **Quality Assurance Engineer** with 3 years of professional experience in the full software testing life cycle (STLC). Skilled in creating comprehensive test plans, writing automation scripts, detecting and resolving bugs, and ensuring product quality. Proven ability to collaborate with cross-functional teams and contribute to delivering high-performance software solutions. Proficient in both manual and automation testing using tools like Cypress, Playwright, and Ghost Inspector. Passionate about continuous learning and eager to contribute to impactful QA projects that drive quality and efficiency.

Experience

QUALITY ASSURANCE ENGINEER| DANPHE SOFTWARE LABS PVT LTD | AUGUST 2022 - PRESENT

- Designed and executed manual test cases and scenarios based on application requirements.
- Developed and maintained robust automation scripts using **Cypress, Playwright, and Ghost Inspector**, significantly reducing regression testing time.
- Validated functionality and performance through thorough API testing and UI automation.
- Led bug-tracking and resolution processes in collaboration with developers, using JIRA and Git for effective communication.
- Mentored junior QA members and reviewed their test plans and cases to ensure accuracy and consistency.

QUALITY ASSURANCE INTERN | DANPHE SOFTWARE LABS PVT LTD | FEB 2022 - MAY 2022

- Acquired hands-on experience in different testing methodologies and techniques.
- Drafted test plans, executed test cases, and documented defects for further analysis.
- Gained exposure to test automation frameworks and tools.
- Supported QA team in preparing documents and test reports for internal use.
